Serial No. 9

Letter no. 12985 Dy 14.5.26 from the Exg. Engr. in Mys one forwards for sanction an estimate for Rs 5600 for special repairs to the Tumkur-Maddur Road in the Tumkur District.

The need for the special repairs has been fully explained in the memo accompanying the estimate. The Pres. Dt Bd has approved the estimate and has promised to make available by reappropriation a sum of Rs 4000 for the work during the current year & the balance next year. The Ex Engineer has started the work pending sanction of Govt to the estimate. It is not stated whether the Dt Board has been consulted. Draft sanctioning is however put up for orders.

RR 20/5 It may perhaps be better to start the work after definite provision is made for the expenditure

2 As the work is said to have been started on hand, & the Pres of the Bd has promised to find the money up to Rs 4000 available during

SIR

I have the honour to forward herewith, for favour of sanction, an estimate amounting to Rs 5,600 for the special repairs of the Tumkur - Maddur road in the Tumkur District received from the Executive Engineer, Tumkur Division.

2. The estimate provides for the collection of metal for recoatin the worst furlongs between miles 18 to 31. The necessity for the work is explained in the report ~~by~~ of the Executive Engineer attached to the estimate.

3. The president of the District Board, Tumkur District, has countersigned the estimate in token of his approval to the provisions made therein and has promised to make available by reappropriation a sum of Rs 4,000 for the work for expenditure during the year 1925-26. Expenditure to the sanctioned grant will be incurred during the current official year and the balance operated upon next year.

4. With a view to avoid lapse the Executive Engineer has started work pending formal sanction to the estimate.

I have the honour to be,
Sir,
Your most obedient servant,

John Bhore

W.W.S.13th.

Chief Engineer of ~~Mysore.~~

Report to accompany the Special Repair estimates amounting to Rs 5,800/- and 7686/- for (Improving) Special collection of metal in the 2nd and 3rd sections of Tumkur Maddur road during the year 1925-26 and 1926-1927.

Reference:- Nil.

Tumkur Maddur road is a main trunk road maintained from District Funds and connects two important State Fund roads viz., Bangalore Honnavara and Madras Cannore road.

The total length in this District is 43¾ miles and maintained with an annual grant of Rs 200/- per mile for the first 25 miles and Rs 100/- for the remaining portion, since 1924-25.

The whole length of the road is devided into 3 sections -- viz., (1) 0 to 17 miles the road is in fair condition and there are a very few bad furlongs which can be recoated ~~with~~ under the A. R. grant: (2) 17 to 31 miles, a bad section, surface is badly worn out and pitted, there are about 27 furlongs which are specially recoated under a special grant immediately (3) miles 31 to 5/45 or boundary is also a very bad section with a large number of bad furlongs especially towards beyond Huliyardrooga. Without a special grant, the road cannot be improved to suit the present day motor traffic.

Of late the motor traffic on this road is on the increase and three busses are running between Tumkur and Kunigal every da each way, and since June 25 a daily bus service has been started from Kunigal to Maddur a distance of 30 miles. It is learnt that a license for another bus in the 2nd and 3rd section is also ---- granted and will begin to run shortly and probably two more buses are likely to run between Tumkur and Kunigal.

The bus service is thus increasing day by day, and without any special grant it is not possible to bring the road to a fair condition to stand the heavy traffic. Two estimates amounting to Rs 5600/- and 7686/- for special collection of metal for all the bad furlongs in the 2nd and 3rd section is now got up in order to make the road fit for motar service.

The special grant required for collection alone in these 2 sections amounts to Rs 13,286/- and as such large amount cannot be made available in one year, it has been split into 2, and the small estimate for the 2nd section requiresto be immediately considered and sanctioned, to enable the work being carried out during the current year, and the other one can be taken up in 26-27.

The necessary funds required for collection of metal in the 3rd section and consolidation of metal in the 2nd section will be provided for in the draft budget for the year 1926-27. For collection of metal in the 2nd section, required funds is made available from the sanctioned budget grant of the current year under reappropriation statement already forwarded to the District Board for approval

The estimate of Rs 5600/- may therefore be approved and returned duly countersigned so that the same may be got sanctioned and work carried out during the collection season of the current year.

The other estimate may after the approval of the Budget for 26-27 be countersigned

Executive Engineer,

Tumkur Division.

B. Nagappa, Esquire, Bar-at-Law,

Secretary to the Government of His Highness the Maharaja of Mysore, Local & Legislative Departments, Bangalore.

Sir,

Adverting to Government Order No. L.7205-7/L.B.30-25-10 dated the 28th May 1926 requiring the President, District Board, to obtain the sanction of the District Board for special repairs to the Tumkur-Maddur road at a cost of Rs 4000/- during the current year etc. I have the honour to state that on receipt of a proposal from the Executive Engineer to utilise Rs 4000/- for the purpose out of the amount of Rs 6500/- proposed to be retrenched in his re-appropriation statement, the subject was placed before the District Board at their meeting held on Lo-4-26, and a resolution was passed to the effect that the proposals of the Executive Engineer may be sanctioned.

A copy of the resolution was accordingly sent to the Executive Engineer for reference and further needful action being taken in the matter.

Likewise the estimate was also returned to him duly countersigned, subject to the limit of an expenditure of Rs 4000/- for the current year.

I have the honour to be,

sir,

your most obedient servant,

H. Venkatramana
